

STANLEY Chinese Restaurant

CUSTOMER INFORMATION

Updated June 2020

Stanley Chinese Restaurant is delighted to invite back customers old and new. We have reviewed our restaurant layout and how we serve you in-line with the Government guidance on social distancing.

A risk assessment has been carried out to ensure that you and our staff can enjoy the re-opening of the restaurant.

It is very important to us that all customers enjoy their time in our restaurant, but this means some rules must be followed without exception, while we are working through the Covid-19 situation.

The following rules are in place and we expect you will stick to these so we can stay open and serve you.

- All restaurant customers must book a table. There will not be any walk-in customers allowed.
- We will be required to take the name and contact details of the person booking so we can contact them in the event of a virus outbreak.
- The bar area will be restricted to staff only.
- Upon entry to the restaurant you will be taken directly to your table.
- All food and drink orders will be taken at the table.
- Maximum of 2 persons per toilet at any time.
- Smoking area restricted to 2 persons only and we ask that you try to minimise the times you leave the table to smoke.
- Do not go to other tables to talk to other parties.
- Respect other customers in the restaurant.
- Respect our staff.
- Respect the rules.

Please do not risk the closure of the restaurant by behaving irresponsibly.
