## Chinese Restaurant

m e n u

We focus our menu on healthy and contemporary style Chinese/ Japanese with a touch of European influence. The menu offers an extensive range of dishes, with classic favourites appearing alongside more adventurous oriental delicacies, is prepared by our expert chefs, of the highest possible standard.

The exciting range of 'Set Banquets' and an equally tempting 'A La Carte menu' have been carefully selected to suit your individual taste. If, however there is any dish you require which is not specified on the menu or any ingredients that you may need to avoid, e.g. nuts, M.S.G., wheat flour etc, please do not hesitate to ask our staff who will be pleased to assist your requirements.

Gratitude should always be at the customers' discretion.

Thank you. Enjoy your dining.
